CENTRAL INTELLIGENCE AGENCY

CONTRACTING OFFICER'S

DETERMINATION AND FINDINGS

AUTHORITY TO NEGOTIATE

The Central Intelligence Agency proposes to enter into a contract with Eastman Kodak Company, Rochester, New York, for engineering and technical services to study requirements for specialized film processing and data recording operations for FOG and preparation of engineering designs; installation, systems testing and removal of such equipment when completed under a separate contract; and training of FOG personnel in the operation of the equipment.

I further find that certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which in effect results in all 10(b) expenses involving issuance of Treasury checks being accumulated within the Finance Division and periodically certified as being under authority of Public Law 110, Section 10(b), by the Director.

I hereby determine as Contracting Officer for this contract that the
